

Accessing Hill Dickinson Stadium on an Event Day – West Reception 4

Access

All visitors should report to the main security gate house at Gate E (north-east turret entrance).

If you are an exhibitor, or organiser, and require earlier access than your event guests, this must be pre agreed with your Event Manager so your details can be added to our Envoy check in system.

All other attendees must quote the “**Ticketmaster Sports Summit**” and access will be granted.

Parking

You will be required to drive at 5mph with your hazard lights on until you reach the car park.

The car park is located on **Nelsons dock** (see map attached) guests are not permitted to park on West Quay Car Park as this is for staff in the stadium.

Once you have arrived at the site parking, follow the signs for West Reception, and walk through the underpass to **West Reception 4** (located behind glass doors near the middle, reception numbers are numbered above the doors in blue).

Arriving by taxi

Taxis can drop you at the entrance of Gate E on Regent Road. To gain access, please quote your “**Ticketmaster Sports Summit**” with security and you will be given access. Walk down the pedestrian route that is fenced off on the right hand side for your safety.

If you wish for your attendees to be granted access by taxi to drop by the West underpass, this will have to be pre agreed with your Event Planner as this requires additional staffing.

If you have pre agreed access, attendees will have to brief drivers of the below:

Entry via Gate F, guests can be dropped by the gate near the West underpass and drivers can turnaround and exit via the same way, through Gate F.

Any guests taking a taxi will be required to brief their driver that they are have to drive at 5mph with their hazard lights on.

Arriving by foot

If arriving by foot, you can enter via gate E at all times, or via Gate C after 09:00. Walk straight down until you reach the under pass of the West Stand. Walk under the under pass towards the middle where you will find glass doors leading to **West Reception 4** (located behind glass doors near the middle).

Security

As we are a large venue, we are required to adhere to guidance as per Martyns Law.

All guests arriving at Hill Dickinson Stadium will be required to cooperate with a soft security check which includes the below:

Bags bigger than A4 will be searched

All guests will walk through security arch metal detector

Security wand as an additional measure will be used if the detector is sounded.
